UNIVERSITIES & SCHOOLS

Southeastern Louisiana University

Hammond, LA | Programs up to 6,000 guests

Home campus for our shop, Southeastern Louisiana University is a room we know from the loading dock to the last row of the University Center. We produce commencements, academic symposiums, donor events and student productions - athletic banquets in the Student Union, concerts and ceremonies in the arena, and outdoor programs on the quad - with crews who are minutes away and available same-day when a program changes.

WHAT WE KNOW ABOUT THIS ROOM

- University Center arena and theater production
- Commencement IMAG and distributed audio
- Donor gala and athletic banquet packages
- On-site crew minutes from campus

TYPICAL PRODUCTION PACKAGES

COMMENCEMENT & CONVOCATION

Ceremonies indoors or on the field

- Distributed PA covering graduates and guests
- Podium and processional microphones
- IMAG cameras with LED wall or projection
- Assisted listening and press feed
- Weather-rated power and cable protection

LECTURE, SYMPOSIUM & PANEL

Clear speech, clean capture

- Lectern and panel table microphones
- Audience Q&A mics
- Projection with confidence monitor
- Program recording and streaming feed

CAMPUS BANQUET & STUDENT PRODUCTION

Athletic banquets, showcases and formals

- PA, DJ patch and playback
- LED uplighting and stage wash
- Staging, risers and skirting
- Backdrop drapery and scenic panels

CASE STUDY

Spring commencement for 4,500 guests

A two-ceremony spring commencement in the University Center, with processional audio, IMAG for the upper seating and a weather contingency for an outdoor overflow feed.

Timeline

- T-4 weeks: Arena site survey, rigging plot and power order approved with facility operations
- T-2 days: Stage decks, ADA platforms and graduate seating installed
- T-1 day: Audio tuned, delay towers timed and LED wall assembled and tested
- Ceremony day, 5am: Final focus, sound check and press mult set for both colleges
- Same evening: Strike and arena floor cleared for the next morning's class

Equipment deployed

- Distributed PA with timed delay towers
- Processional and lectern microphones
- Two-camera IMAG to a 16' LED wall
- Generator-fed power distro and cable ramps
- Assisted listening and press feed

Every name was intelligible from the upper deck, both ceremonies ran on schedule, and the office booked the same package for the fall ceremony.

HOW TO REQUEST A QUOTE

- 1. Send us the date, room and headcount - we hold gear and crew while we spec.
- 2. Share your run of show, floor plan or AV spec (upload them with your quote request online).
- 3. We return a written proposal with a package, labor plan and one point of contact.
- 4. Approve the proposal and we handle load-in, show calls and strike on the venue's schedule.
